You Talk

We'll listen

Whatever you might have on your mind we want to give you a chance to talk about it. We may not have the answers, but we'll find the answers together. Horizons4Girls will do various group discussions as well as offer one on one mentoring. Horizons4Girls also has professional counselors available.

Share Your Thoughts - we'll listen

Me volunteering??

The answer is yes....here's why:

As a senior in high school I was pregnant. Many GREAT mentors throughout my life have given me the inspiration to keep on going for what I wanted. I have run a broadcast group of stations that grossed over one million in sales annually...I have been state chair of a women's network of close to one hundred state women's organizations...I have served on the national board of directors for a women's organization.....I also worked as an AVON lady.

I am now grandmother to two teenage boys AND I CREATED HORIZONS4GIRLS -- mentoring teenage girls to become whatever they dream of!
