Faith Here!

Planning some New Year's resolutions? I have a suggestion for you.....resolve to become a monthly supporter of Horizons4Girls for as little as \$7 a month! Almost 50 students benefit from the programming that is done at Horizons4Girls. 97% of those students receive free or reduced lunch at school and for some of them that might be the only meal of the day. At Horizons4Girls we make sure we ALWAYS have nutritious snacks for our students. It is hard to focus on school work, group discussions, community service when your stomach is saying 'feed me'. Here are two quick links for [monthly giving](#), or a year-end, one time donation right [HERE](#).

Suggestion #2? Resolve to contact 'mom' and have coffee with her (and me, I get to come along!) and find out more about how you might be able to Ignite The Spark for one of our students. Recent sparks that were lit: grades that were D's & F's are now B's & C's; attendance that was less than 50%, to for the last 2 months NO unexcused absences; NO plans for jobs/careers, to job shadowing a Police Detective, animal vet or trainer, and a college student studying to be a social worker. Just email mom, info@horizons4girls.com and have coffee with us.

WOW, there are days I can't wait to get together with the students to hear them tell me what they've been up to. And, the smiles and joy we were able to bring recently as we delivered over 800 Christmas cookies and sang Christmas carols at Rocky Knoll Nursing Home.....priceless....check out the slide show
PSSS.....January is NATIONAL MENTORING MONTH.....find out more at www.horizons4girls.com
Have a precious, joy-filled 2016!
