

THANK YOU

Thank You Helpers and Donors

We have one thing to say to the team from Sartori Foods....

A BIG THANK YOU! The closet we store our classroom supplies, craft supplies, research papers, donated clothes and school supplies was bursting at the seams (or according doors), and it took way too long to find what you needed. Well, in about 5 hours, Charlie (Charlene) and her team from Sartori Foods TOTALLY transformed the closet. 4 sliding doors and shelves to hold the materials in an organized fashion have REALLY made a difference. Thank you United Way's Day of Caring and the Sartori Team. BIG DIFFERENCE!

And Now An Update From Faith:

1. A HUGE successful Half Marathon, for runners & \$ raised.
2. Over 300 pumpkins & almost 50 faces painted at HarvestFest.
3. Our 1st bake sale at Miesfeld's Market-thanks Optimists for inviting us to participate.
4. And I just got a peek at some awesome grades coming in on school work.
